

# **The financing specialist**

for SMEs

Leasing by **Würth.**

# Würth Leasing is flexible

We create tailor-made, end-to-end solutions to a wide variety of needs:

**Plant and equipment** – we finance CNC machining centres, manufacturing plant, presses, printing presses

**Vendor leasing** – we support your sales, without additional risk

**Vehicle leasing** – we finance your vehicle of choice (car, lorry, etc.)

**IT leasing** – we ensure your hardware and software are always state of the art

**Furniture and fittings** – we enable you to fit out your new office or shop interior

**Asset-backed leasing** – we finance the asset, and its value is the focus

**Healthcare** – we ensure your technical resources are up to date

**Employee incentives** – we offer two options (tax-efficient bicycle and electronic device leasing)

## Our strengths

- Personal advice and assistance – both in the field and from our offices
- Rapid, responsive decision-making
- No upper limit on the value of the leased asset
- Solutions for used assets
- Sale-and-lease-back / sale-and-hire-purchase-back for improved liquidity
- We offer asset-backed and client-specific solutions

**Government (KfW) funding/grants**

**can be accommodated**

We are committed to  
**personal advice  
and assistance**

A man in a dark suit is seen from behind, looking out over a city skyline from a high-rise building. The sun is low on the horizon, creating a bright lens flare effect. The city buildings are silhouetted against the sky. The man's silhouette is superimposed over the cityscape.

**Würth Leasing**
